

A U.S. CONCRETE COMPANY 

Dear Friends and Business Partners,

Time is here again for the 2018 Redi-Mix Charity Classic. For the past 23 years Redi-Mix and U.S. Concrete have been the proud sponsors of our annual golf tournament benefitting a worthy charity in the Dallas/Fort Worth area. During this time, we have raised over \$1,505,000 for the men, women, and children in the DFW area that are in need of assistance.

This year, Redi-Mix, has again chosen the Clayton Dabney Foundation as the recipient of our tournament. Those that have participated in our tournament over the last several years know what a truly worthy charity this is. The Clayton Dabney Foundation provides, anonymously, needy families with children in the last stages of terminal cancer, assistance in creating lasting memories. These memories are created by providing gifts of last wishes to a child that may be out of the financial reach of the parents. In some cases, financial assistance has been provided to ease the heavy financial burden of families such as house and car payments, utility bills, and other obligations so the parent can afford to spend more time with their dying child.

Last year we were able to present a check for \$255,000.00 to the Foundation. This was a huge gift that enabled the Foundation to reach more families with children who have last dreams and wishes.

This year the 2018 Redi-Mix Charity Classic will be held on October 22nd at the Trophy Club Country Club in Roanoke, Texas. Many of you have played in this tournament every year and we look forward to having you back this year. For those who are new to the event, get ready to participate in, what many call the best golf tournament in DFW.

Entertainment and Lunch to follow immediately after the tournament.

Enclosed is a brochure that will explain the different sponsorships available to you. However, before you decide which level of participation you might choose, let me encourage you to visit [claytondabney.org](http://claytondabney.org) to learn more about the Foundation.

Hope to see you October 22<sup>nd</sup>.

A handwritten signature in black ink that reads "Buck Weatherby". The signature is fluid and cursive, with a long, sweeping tail on the final letter.

## Thank you Redi-Mix!

**Clayton Dabney for Kids with Cancer is thrilled to be chosen once again** as the sole beneficiary of this year's Redi-Mix Charity Classic, scheduled for October 22<sup>nd</sup> at the venerable Trophy Club in Roanoke, Texas. Last year, we were blown away to receive \$255,000 in tournament proceeds. Clayton Dabney has been the beneficiary for the past six years and the combined proceeds have been more than \$1,040,000! This funding has enabled the foundation to provide last wishes, gifts, special occasions, family travel and financial assistance to more than 520 needy families with terminally ill children across the US. These desperate families are at the end of their fight and have nowhere to turn. Clayton Dabney is there when families need us most thanks to the generosity of people like you.

**We are grateful for the tireless efforts and heart-felt dedication** of Buck Weatherby and the Redi-Mix staff. This tournament is one of the most efficiently run tournaments in the DFW area and we are so excited to be a part of it again in 2018. Buck is promising that this year will be even bigger and will have some new twists and I have no doubt that he will deliver on his promise. So sign up soon, this tournament is always quick to sell out.

**Thanks again for your past support** and we'll looking forward to seeing you on a crisp fall day in October.

**Leslie Ficke**  
**Executive Director**

### *Mission Statement*

*Clayton Dabney for Kids with Cancer provides needy families, with children in the last stages of terminal cancer, assistance in creating everlasting memories through last wishes, gifts, special occasions, family travel and financial assistance with household bills. Our assistance is arranged through the parents and is anonymous to the child so parents get the credit, not the foundation*
